

Orogen appoints Mr. Daniel Pace as Vice President of Exploration

Vancouver, B.C. January 13, 2020 (TSX-V:OGN) Orogen Royalties Inc. ("Orogen" or the "Company") is pleased to announce the appointment of Daniel Pace as Vice President of Exploration of the Company. Mr. Pace takes over from Mr. Dave Groves, who is retiring from the Company.

Mr. Pace holds an M.Sc. in Geology from the University of Nevada and has over 13 years' experience in mineral exploration. Prior to Orogen, Dan was the Exploration Manager at Renaissance Gold working in Nevada and western United States where he was instrumental to several project acquisitions including the Silicon project. Dan also consulted for Barrick Gold and helped with the drill program that defined the Redbird deposit as well as other exploration programs throughout the Bald Mountain District. Dan is a registered member of the Society of Mining, Metallurgy, and Exploration.

"We are very excited that Dan has accepted this responsibility at Orogen", commented Orogen's CEO, Paddy Nicol. "Dan has demonstrated great passion for generative mineral exploration, and we are eager to work with him on growing Orogen's property and royalty portfolio. We would also like to thank Mr. Groves for his technical leadership and experience and look forward to working with him in a consulting capacity going forward.

Forward Looking Information

This news release includes certain statements that may be deemed "forward looking statements". All statements in this presentation, other than statements of historical facts, that address events or developments that Orogen Royalties Inc. (the "Company") expect to occur, are forward looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects",

"plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur.

Forward looking information relates to statements concerning the Company's future outlook and anticipated events or results, as well as the Company's management expectations with respect to the proposed business combination (the "Transaction"). This document also contains forward-looking statements regarding the anticipated completion of the Transaction and timing thereof. Forward-looking statements in this document are based on certain key expectations and assumptions made by the Company, including expectations and assumptions concerning the receipt, in a timely manner, of regulatory and stock exchange approvals in respect of the Transaction.

Although the Company believe the expectations expressed in such forward looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward looking statements. Factors that could cause the actual results to differ materially from those in forward looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Furthermore, the extent to which COVID-19 may impact the Company's business will depend on future developments such as the geographic spread of the disease, the duration of the outbreak, travel restrictions, physical distancing, business closures or business disruptions, and the effectiveness of actions taken in Canada and other countries to contain and treat the disease. Although it is not possible to reliably estimate the length or severity of these developments and their financial impact as of the date of approval of these condensed interim consolidated financial statements, continuation of the prevailing conditions could have a significant adverse impact on the Company's financial position and results of operations for future periods.

Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward looking statements. Forward looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by securities laws, the Company undertakes no obligation to update these forward looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
